DID SOMEBODY SAY BARBECUE?

At PA BBQ, we hear you. Loud and clear. For twenty years it has been our passion to serve our customers only the very best barbecue available. We are proud of the fact that we have made a lot of friends over the years, grown business beyond our wildest dreams, and, in the process, learned a few things about making great BBQ.

Lesson 1: Never Use Frozen Ribs

This may be obvious to most of our customers but not our competition! Our ribs are delivered to our restaurants Fresh – Never Frozen! The reason is simple – Fresh ribs taste better.

Lesson 2: All Ribs Are Not Created Equal

We begin with only the finest, All Natural, Grain Fed, USDA Process Verified 100% domestically grown pork, so good that we call it "America's Premium Pork™"

Lesson 3: If It Ain't Smoked, It Ain't BBQ

Our ribs are smoked with real hickory in custom developed smokers at each of our PA BBQ restaurants.

Lesson 4: We're Always Cooking!

We smoke ribs everyday, all day – not just once a week! Once they've been slow-cooked for hours on our custom smoker, we serve up generous portions with a helping of PA hospitality.
